- Incompany: custom tailored, prices on demand

Points/hours:

- Assurance: 17

Accreditations:

- 700.010 permanent education insurance

INTENDED AUDIENCE

The training is primarily intended for persons:

- who perform a regulated function in the distribution of Non-Life insurance, in particular those who :
 - have been appointed PCP and wish to broaden their basic knowledge and, where appropriate, take the advanced examination 2.1;
 - are exempted from the examinations by their diploma;
 - have obtained a knowledge certificate to refresh and deepen the acquired knowledge, in accordance with the knowledge requirements of the IDD.
- who exercise a function other than the distribution of insurance and wish to deepen their knowledge of liability and legal assistance insurances.

(Professional knowledge required by Articles 13 to 16 of the Royal Decree of 18 June 2019).

FOREKNOWLEDGE

Advanced level training: this training requires a general basic knowledge of the subject.

CONTENT

This training is composed of E-learning (distance learning) and a traditional classroom training. You must complete the distance learning course, in the form of a syllabus (pdf), before attending the classroom session. The classroom session focuses on practical exercises and lectures illustrated with concrete examples through a presentation.

CONTENT

- **Part 1:** Legal bases
 - The legal bases for civil liability
 - The legal bases of liability insurance: part 4 of the Act of 4 April 2014
 - The legal bases of third party liability insurance: RD of 12 January 1984 (minimum conditions)
- **Part 2:** Basic principles of company and professional third-party liability insurance;
 - Company third-party liability insurance
 - Company third-party liability
 - Operations third-party liability
 - After delivery third-part liability, including the product liability
 - Objective liability in the event of fire and explosion of the operations of places accessible to the public
 - Professional third-party liability insurances
 - Professional liability insurance
 - Ten-year liability insurance
- **Part 3:** Legal assistance insurance
 - Object and guarantees
 - Market offer
 - Regulation

PRACTICAL INFORMATION

- **Duration:** E-learning (11 hours) + 1 day training (6 hours training)
- **Hours classroom training :** 09:00 to 17:00
- **Location:** Febelfin Academy, Phoenix building - Koning Albert II-laan 19 1210 Brussels
- **Number of pages syllabus :** +- 70 pages
- **Preparation:** Participants are invited to study the textbook on the topics covered in the course in order to better follow the classroom training. The study of the manual (syllabus) is necessary to pass the online test. The interactive session is designed to support the knowledge acquired in the E-learning.
- **Continuing Professional Development (CPD) :** Each module includes an online test consisting of multiple-choice questions. Obtaining a positive result on the accompanying test is required to earn CPD points. You are entitled to 2 attempts to pass the test. If you do not pass (result lower than 60%), you have acquired additional knowledge, but are not entitled to CPD points. We therefore recommend that you take the test only when you are sure you master the subject matter.
- **CPD Points:** 6 points classroom training (6 hours) + 11 points E-learning (distance learning) (11 hours) proven by passing a test.

METHODOLOGY

You follow a ‘**Classroom training**’ in a group. You, the other participants and the teacher are all present in the same classroom at an agreed time. There is an opportunity for interaction and feedback, both from the participants to the teacher and vice versa. The teaching material consists as a basis of a presentation via the MyFA learning platform, supplemented with various other items (such as digital syllabus, presentation, audiovisual fragments, etc.).

Type of training: Hybrid

During our hybrid trainings, we combine self-study (E-learning) with an interactive session (classroom training or live webinar). During the interactive session, the focus is on practising the material and working with real-life cases.

Course material:

- Syllabus
- Training platform
- Powerpoint
