## **METHODOLOGY**

---

You follow a '**Classroom training**' in a group. You, the other participants and the teacher are all present in the same classroom at an agreed time. There is an opportunity for interaction and feedback, both from the participants to the teacher and vice versa. The teaching material consists as a basis of a presentation via the MyFA learning platform, supplemented with various other items (such as digital syllabus, presentation, audiovisual fragments, etc.).

**Type of training:** Classroom

During our theoretical training courses we offer a combination of theory and practical exercises. The cases, examples and exercises are taken from everyday situations or are contributed by you and then solved under the guidance of the trainer.
