

Flex Package ALL IN - CPD package for banking intermediation, insurance distribution (life & non-life) and credit intermediation

GOALS

Those who learn more know more, can do more, experience more and are not only more successful but also happier in their current and future jobs. 'Flex Package – ALL IN' offers practical support for lifelong learning.

'Flex Package – ALL IN' is an annual CPD package that gives you access to a wide selection of courses in banking intermediation, insurance distribution and credit intermediation. The package allows you to earn CPD hours and thus comply with your continuing professional development obligation as an intermediary. Moreover, you automatically stay up-to-date with new developments in your field and always have a broad 'library' of knowledge on the most diverse subjects at your fingertips.

- ...

CONTENT

'Flex Package – ALL IN' includes both overview courses and more specialised courses in insurance distribution life and non-life, and in banking and credit intermediation. The offer is updated quarterly. The CPD package adapts to your personal learning preferences, your schedule and your pace: you can choose between different learning formats

(classroom, live webinar and E-learning) and you register for the dates that suit you best. The CPD package is valid for 1 year.

Your continuing professional development is organised efficiently and flexibly for a year with minimum administration.

Some examples of common training courses in Flex Package ALL IN:

- Introduction to Sustainable Finance - E-learning
- The significant aspects of the simple risk fire insurance (non-life) - E-learning
- Cryptocurrency & regulation: where are we now, and where are we going? - Classroom training
- The impact of IDD on the insurance distribution, the information requirements and the rules of conduct (life & non-life) - E-learning
- ESG & sustainable finance in investment funds - Classroom training
- The fight against money laundering (AML) and the financing of terrorism (CFT): general module and applications - E-learning

METHODOLOGY

Through the CPD package, you can receive training in different learning formats. You can opt for classroom training, live webinar or E-learning. Some trainings are offered as hybrid courses, meaning a mix of learning formats with both a digital and an interactive component.
